

Dare To Change the World

By: George Zivan

Dare to change the world,
To leave a better place,
Not just for a few,
But for the human race.

We have it in our power
To accomplish so much more
With unity and purpose,
Not with weapons of war.

Let us not act like children
In this time of urgency,
For history will judge us harshly,
For all the world to see.

It is time for real action
On climate change and more;
Let us pledge our best efforts,
The future is worth fighting for.

Dare to change the world
And let your names shine,
In history books tomorrow,
As heroes of all time!

We have it in our power
To choose peace and prosperity,
For people are the wealth of nations,
And we choose our destiny.
