

## **Was It Just a Dream?**

By: George Zivan

(Parts may be sung to, "**Fields of Gold**" by Sting).

Was it just a dream  
That I held you close  
In the garden, in the moonlight?  
The things you said to me  
That our love was meant to be,  
Say it wasn't just a dream.

Was it just a dream  
That you came to me  
Laid your body next to mine, dear?  
That I held you tight  
Deep into the night  
Say it wasn't just a dream.

### **CHORUS:**

And all I can do is think of you,  
That's all I can do;  
I just want to scream,  
To bring back the dream,  
To make it come true....

**(“Was It Just a Dream?” .....continued).**

MUSIC

Many years passed by,  
Summers come and go  
Are there stars I haven't wished on?  
I am so afraid  
That the love we made  
Maybe it was just a dream.

Somewhere in a dream  
You'll come back to me  
And I hope to never wake, dear,  
We'll hold hands and fly,  
Into the moonlit sky,  
On the wings of summer dreams.  
On the wings of summer dreams.
